FOSTER 'SOUNDED OUT'

State-Level Job Turned Down By DC School Chief

Richard L. Foster, superintendent of Jefferson Elementary School District, today confirmed that he has turned down an opportunity to accept the \$18,600 a year post as associate superintendent of public instruction for the state of California.

Foster said he was contacted two weeks ago by State School Superintendent Dr. Roy E. Simpson and was invited to Sacramento last week for an interview.

Salaried here at \$16,000 a year, the 42-year-old Daly City elementary chief said he appreciated "the consideration shown by Dr. Simpson, but my wife

and I have decided that my present job is satisfactory and an enjoyable assignment."

Foster, 42, who came here last year from the Marin County school system, further commented:

"The state job certainly would be a fine one, but it would entail much traveling and I would prefer to spend more off-duty time with my family."

The superintendent and his wife, Adeline, a native of North Dakota and a former dental hygienist, have one son, Robert, a sixth grader who attends Greenbrae School.

DC Architect, Liquor Store Owner Nabbed For Drunken Driving

Daly City police flagged down one drunk driver and moments later their patrol car was rammed by a second inebriated motorist at the same spot Tuesday night last week on Alameda near Sheffield in Westlake.

Booked after examination at Junipero Serra Hospital were John W. Gloe, 49, architect who lives at 220 Skyline drive, and Fred E. Deltorchio, 45, liquor store proprietor whose address is 62 Palisades drive.

The episode began about 9 p.m. when Sgt. Charles Terry and Lt. Bruno Conci, patrolling in their "unmarked" police sedan, spotted Gloe's '56 auto weaving from lane to lane at Lawrence and Alameda in San Francisco. The pair couldn't siren-down Gloe, they said, until his vehicle was on Alameda about three blocks west of Junipero Serra, because another auto, allegedly sideswiped by

Gloe, was between the police car and Gloe's giving chase to the architect. The sideswiped auto was that of Ernest Stein, 94 Longview avenue.

While Terry and Conci were interrogating Gloe, their car parked behind his toward the right shoulder of the road, Deltorchio's auto rammed into the left rear fender of the patrol vehicle.

By this time, Sgt. David Hansen and Officer Dennis Sheehy were on the scene and took Deltorchio into custody. Both Gloe and the liquor store owner admitted having a few drinks, and the doctor at Junipero Serra Hospital confirmed that both drivers were in no condition to safely operate a vehicle, according to the police report.

Gloe and Deltorchio were released on bail to appear in municipal court.

DALY CITY police last week got admissions from these sets of brothers — Ronald, 19, and Donald Perrin, 24 (left), and James, 25, and Dante Chelossi, 21 — on three raids that netted the foursome over \$1000 in cash. The quartet confessed the Westlake Medical-Dental Building and Fernando Concrete Company burglaries and a \$215 holdup at General Acceptance

Corporation on Junipero Serra boulevard. They are in custody of San Francisco police authorities and face multiple charges and housing at San Quentin. The four young males are no strangers to Daly City police — their names have been on the local police blotter numerous times the past five years.

Two 'Neighbors' Arrested By Daly City Cops

Daly City police booked two San Francisco "neighbors" last Saturday on drunk driving counts in separate arrests — one at 1:45 a.m. and the other at 11:15 p.m.

Officer Jim Bergstrom cited Ramon Ruiz, 32, a paper cutter who lives at 284-A Duncan street, for being drunk in and about his '58 Edsel on Skyline and Alameda boulevards. When Bergstrom answered the "accident" call, he found Ruiz slumped over the wheel of his auto which had backed into a '55 Olds driven by David Melton of Montara. There was negligible damage to both vehicles, according to Bergstrom's report.

Nabbed by Officer Steve Steen less than an hour before midnight Saturday at Mission and School streets was Gilbert J. Mesina, a shipping clerk who gave his address as 276 Duncan street. Steen arrested Mesina, 29, for drunk driving after the patrolman spotted the shipping clerk's southbound '59 Chevrolet weaving from lane to lane on Mission and sirened him to a halt.

Ruiz was released on \$100 bond to appear in court this Thursday, while Mesina was released on \$525 cash bail and will go to court next Tuesday.

'WORST EVER' SKYLINE FOG CAUSES MASS PILE-UPS HERE

One of the worst fog sieges in Daly City's history last Saturday morning resulted in a colossal 12-car pileup on Edgemoor freeway about 7:30 o'clock and was followed by no less than four other traffic mishaps within the next two hours.

Five Daly City police officers

inched through the thick "soup" along with Pacifica police to clear the congestion. At least seven of the involved cars had to be towed away — most of them rear-end bumper collision victims.

The 12-car pileup, on Edgemoor freeway at the entrance to

Daly City's Westlake Terrace, resulted in injuries to Richard Scholdach, 374 Carmel avenue, and Victor Carrara, 865 Reina Del Mar, Pacifica.

No citations were issued because officers attributed the crashes to the fog.

Following the 12-car entanglement, Daly City officers Richard deLosa, William

Schumacher and Dick Phillips responded to separate fog-caused traffic mishaps, the first at 8:45, two more at 9 a.m. and the final one at 9:20.

Injuries were involved in the deLosa-investigated Skyline-Edgemoor accident and the Westmoor and Skyline bang-up checked by Phillips.

Planner's Meeting

Next regular meeting of Daly City's Planning Commission will be held Wednesday, November 9, at 8 p.m. in the city council chambers. The board was scheduled to meet November 8 but this session has been cancelled because it conflicts with the presidential election.

EXPOSURE ACT BRINGS ARREST OF SALESMAN

Michael J. Lisitzin, 21, a salesman, was arrested by Daly City police officer Les Bastedo on a charge of indecent exposure near Jeff High last week.

Officers traced Lisitzin's license number after a Niantic avenue woman phoned that Lisitzin was committing a lewd act not far from where a Jeff High girls' gym class was in session.

The salesman, who lives in San Francisco at 620 Tenth avenue, surrendered himself to police here Friday. He pleaded guilty before Judge Charles Becker in municipal court that afternoon. Becker suspended a 10-day jail sentence, placed Lisitzin on a year's probation, and ordered him to register as a sex offender.

P.A.L. Coach Ralph Matteucci Dead At 38

Funeral services Monday at W. C. Lasswell's paid lasting tribute to 38-year-old Ralph Louis Matteucci, local grocery produce manager and a coach with Daly City's Police Athletic League. He died early last Thursday morning at Alameda Emergency Hospital in San Francisco after suffering a seizure while driving.

A life-long resident of Daly City at 3343 San Jose avenue and a graduate of Jefferson High, Mr. Matteucci was a member of Grocery Clerks Union Local 648, the Foresters of America, Branch 83, and Colma-Vista Grande Aerie 1848. He served in the Coast Guard during World War II.

Ralph, active in PAL from its inception here, is survived by his wife, Dina, and children Toni, Louis and John Matteucci.

He was the son of Mr. and Mrs. Silvio Matteucci and the brother of James Matteucci and Mrs. Gladys Craner. In addition, he was the son-in-law of Mr. and Mrs. Luigi D'Elia and the brother-in-law of Mr. and Mrs. Arnold D'Elia.

Requiem Mass was celebrated at Our Lady of Perpetual Help Church, Interment was at Golden Gate National Cemetery in San Bruno.

AUTO dealer Frank Martorana (far right) is new president of Daly City's Chamber of Commerce. He accepted the appointment last week along with heater company owner Frank Curry (left), new vice president, and editor Harold E. Bradshaw, 5 at Westlake Bowl.

Name Martorana, Curry Chamber's New Officers; Bradshaw Joins Board

Frank Martorana, head of Aero Motors, 7073 Mission street, was named new president of Daly City's Chamber of Commerce last Thursday in balloting by the board of directors.

Martorana succeeds Bank of America manager Louis Pisani. Frank J. Curry, 252 Westbrook avenue, is the new vice president of the Chamber. PG&E's Joe Rohl was chosen secretary for another year and

auto dealer William Sweeney Jr. retains treasurer duties. Curry operates the Star Water Heater Company, 7335 Mission street.

The Chamber appointed editor Harold P. Bradshaw of Marchbanks Publications newspapers to the board of directors. The board of directors includes Ray Logan, Herb Sharpe, Walt McRae, Jack Kendree, Vince Murphy, Fred Martin, Parkes Harris, Edward Morgan and Ello Fontana.

Martorana, 42, was born in San Francisco and attended Commerce High and University of California. He has a daughter at San Francisco State and a son at Analy High School. Frank resides at 6568 Mission

NEEDS PROJECTED TO 1965

District To Request Voter Approval On \$4 Million In Bonds

High school trustees Monday night approved timetables for a \$1,755,000 reconstruction job at Jefferson High and a \$800,000 second increment to Westmoor.

Supt. Edward Morgan simultaneously announced the district would ask voters on February 7 to approve a \$4 million

bond and \$1.5 million state

loan election — the same date

Jefferson Elementary District

will seek "yes" on \$2.8 million

in bonds and a \$7 million state

loan.

The district still is eligible

for \$2,149,695 in state aid from the 1957 bond-state aid election here. This money, plus the \$4 million in bonds and \$1.5 million in state aid requested next spring will keep the district apace with enrollment needs until 1965.

Morgan said a fifth high school site (probably in the Crocker Hills area) must be finalized by 1965 as well as expansion of Jeff to 2000 students capacity, Oceana and Terra Nova in Pacifica from 600 and 788 to 1568 and 1728, and for a third increment to Westmoor.

The state's present assignments limit Jeff to 1500, Westmoor to 2090, Oceana to 968 and Terra Nova to 940. Terra Nova will open next September and will house all Pacifica teenagers until Oceana is ready in Sharp Park late in 1962. Westmoor thus will be off double sessions next fall.

Falk and Booth are the architects for the Jefferson main building and shops construction, and Mario Clampi is in charge of the Jeff gym reconstruction. Once the new main building is

No Double Sessions Next School Year At Westmoor High

There will be no double sessions at Westmoor High School for the year beginning next September.

High school trustees Monday night voted to house all Pacifica youngsters at new Terra Nova High in Linda Mar until Oceana is operational.

Terra Nova is expected to open next September and will house an estimated 1850 students (including all assigned to Oceana). Oceana's construction contract will be awarded this Friday and the Sharp Park school should be ready for students in September of 1962.

finished, the older structures will be demolished at Jeff.

The district hopes to go before the allocations board in January for the Jeff gym funds and a month later for the Jeff main building and shops project. Work on the gym may start in July next year and completion is anticipated by July of 1962. Jeff's new buildings contract will be awarded in December of 1961 and the job will take about 12 months.

Westmoor's second increment, providing room for 400 more students, will go before the allocations board in February. The contract will be awarded in September next year, and completion is expected by July of '62.

Present district enrollment is 3646. Projections show that enrollment by 1967 will hit 9127 and unless the second increments materialize, 1739 students will have to be doubled up until a fifth high school is in operation.

Jefferson's second increment is approximated to cost \$1 million, Oceana's \$1.2 million, and Terra Nova's \$1,576,000.

Council Meeting

Daly City councilmen will meet in regular session at 8 p.m. next Monday, October 31, at 75 Wellington avenue.

SLOGAN CONTEST IS EXTENDED

Small Turnout Stymies DC Celebration Plans

Is interest lagging for Daly City's supposedly "big" 50th anniversary celebration next spring?

Apparently it is, for only 25 committee members attended Tuesday night's celebration planning meeting at City Hall. Secretary Beverly Carrillo had sent out 125 letters to persons previously appointed to assist in mapping the week-long event, May 13-20.

In the absence of Mel Battye (hospitalized by a heart attack), co-chairman Arthur Bodien, a Daly City councilman 40 years ago, insisted that "more interest must be shown if we are to have a fitting program."

The celebration slogan contest deadline was last Friday and only 11 entries (Daly City's population is 43,000) were received.

Drive-In Burglary

Burglars raided the Mission Drive-In Theater office early Monday morning, removed cash from machines and took 50 cartons of cigarettes, custodian Sam Russell told police. Officer John Coleman said the invaders even took coins from a blind babies drive container.

Golf tourney chairman Pete Markovich scored this scant response and moved that the slogan contest be extended. "Eleven entries isn't much to rave about," he said.

Directors agreed to extend the contest deadline to Friday, November 18, at midnight. Persons should mail their slogans to "Contest, City Hall, 75 Wellington avenue, Daly City."

The 25 assembled agreed that nothing much can be done until the five Daly City councilmen attend a meeting with the various committee chairmen. At this session, set for November 15, the chairmen will outline their events and estimate fund needs.

Mayor Frank Pacelli at a previous planning session said the council would allocate appropriate funds. But how much — the committee would like to know.

Battye may not be able to return as co-chairman, so Bodien asked for volunteers and Anthony Lemos of the Daly City Garden Club said he would help direct the planning. Markovich also pledged "as much time as I can to make this 50-year event successful."

Among those present at the

meeting were High School Superintendent Edward Morgan, Jeff High Principal John Morgan, Westmoor Principal Glenn South, Dr. Vinton Stratton of Jefferson Elementary School District, Elton McGraw of the Lions Club, Police Chief Roland Petrocchi, Fire Chief Elmer Kennedy, George Brenner of the Municipal Band, and several other "consistent" attendees.

St. Francis Heights resident Bill Scanlon volunteered for the publicity committee. He will work with Roy Hurlbert and school principal David Willey.

The committee thinks the chairmen and the council on November 15 will be able to finalize the calendar for the week-long festivities. A request for council funds and estimates of anticipated revenue from the various tourneys will be made.

Backyard Mishap

Dolores Wenz, 64 Los Olivos avenue, suffered facial burns Tuesday morning when a fuel can exploded while she was burning trash in her backyard. She was taken to Junipero Serra Hospital by Police Officer Art Linhares for treatment, then returned home.

Membership Tea By Mary's Help Hospital Guild

Display booths dramatizing the many activities of the Mary's Help Hospital Guild will be the highlight of their annual Membership Tea which will be held at the Century Club this Friday. The Guild, a group of women from all walks of life, assist the Daughters of Charity in their works of mercy with particular emphasis on the needs of Mary's Help Hospital.

Because of antiquated facilities, a costly new hospital is to be built in the Daly City area. For this reason, the women of the Guild are doubling their efforts on behalf of an increase in membership.

Presiding in hospital uniforms at toher display booths will be Mrs. Hunter Duval, gift shop chairman; Mrs. Fred Mortara, annual fuschia ball; Miss Linda Fisher, volunteer staff and junior volunteers; Mrs. E. Ripley Boyd, pinky puppet; Mrs. Harold P. Torkelson, annual Christmas cocktail party; Mrs. J. H. Duval, annual Christmas children's party; Mrs. Mary Riordan, visiting service; Mrs. Thomas Hall, historian; and Mrs. L. L. Piancone, publicity chairman.

Mrs. E. Casson, chairman of the tea, will be assisted by Mrs. Uli Sander, Mrs. William Welsh and Mrs. Emilio Olcese. Women interested in donating their services are invited to attend the tea.

'Friendly Visitors' Now Number 45 In San Mateo County

A recent meeting in San Mateo presenting a training program for the Friendly Visiting Service of San Mateo County was attended by members of South San Francisco Woman's Club. Mrs. William Kasper attended in her official capacity as state chairman of gerontology for California Federation of Women's Clubs and was accompanied by the Mesdames Jim Howard and Fred Kell Jr.

The program began with 18 volunteers and now has over 45 Friendly Visitors who visit lonely persons only when requested by the visitee. The Friendly Visiting Service cooperates with the Assistance League of San Mateo County and training is given by the Dept. of Health and Welfare, and the Volunteer Bureau of San Mateo County.

Highly informative portions of the day's training were discussions by Dr. Isadore Kamin, director Clinical Service, Division of Mental Health, who spoke on the topic "Psychological Aspects of Aging," and Dr. Pierre Salmon, superintendent Division of Institutional Clinical Service, who briefly presented the subject "Physiological Aspects of Aging."

This information is soon to be presented by the director of Friendly Visiting Service, Mrs. Harriet Kumet, to members of South San Francisco Women's Club with the intent of securing volunteers for the Visiting Service.

Presbyterian

Several special events for this weekend are announced by the Broadmoor Presbyterian Church, 377 87th street, Daly City. This Friday, October 28, there is a 6:30 p.m. Church Family Night, the annual costume Halloween party for families. Games and prizes will be on the program. Each family brings its own dinner service and a salad and hot dish or vegetable. Dessert, coffee and milk are furnished by the sponsoring Women's Association, of which Mrs. Carlos Mattson is president.

The Junior High School department of the church will hold a Halloween party at the church at 7:30 p.m. this Saturday, October 29. In charge will be Superintendent Mrs. Floyd Hicks, along with Dr. and Mrs. Melvin Ringelberg who are advisors for the Sunday evening Fellowship. In addition to these leaders for the 85 registered seventh and eighth grade youth, there are Mrs. Herbert Tweedie, Miss Lillian Herivel, Lorne Corbett, John DeJong and Allan Fowler and Gordon Keenan. Also there are Delmar Savery and Mrs. Gloria Mattson who lead the Youth Choir.

The last but not least important event of the church's weekend activities is the presence of Louis Peterson to speak at both the 9:30 and 11 a.m. Sunday worship services. Peterson is the Presbyterian staff executive for stewardship promotion in this north coastal area and a resident of Daly City. His presence heralds the start of the annual canvass of the local congregation to secure pledges from members and friends to sustain its expenses and program for the year of 1961. According to Rev. Herbert Tweedie, local pastor, those on the financial canvass committee are Ray Lichtenberg, chairman; Mrs. Rex Spruiell, secretary; Collins Orton, Rodman Barnes, Dr. Harry Lapp, Kenneth Gillespie and Lee Bright. The canvass continues through Sunday, November 13.

CANADA AMENDS WAR VETERANS' ALLOWANCE ACT

San Mateo County Veterans' Service Officer, Floyd D. Granger, said today that the Canadian Department of Veterans Affairs has announced two recent amendments to its War Veterans Allowance Act. Effective August 1, the act was amended to provide for:

1—Payment of allowances to Commonwealth and Allied veterans of World War II who are otherwise eligible.

2—Payment of allowances outside Canada, under certain circumstances.

To continue receiving an allowance while residing in another country a recipient must have been living in Canada for 12 months immediately before leaving to reside in another country, and be in receipt of an allowance at the time of leaving Canada.

When a recipient has not lived in Canada for 12 months immediately before leaving to reside in another country his allowance is suspended at the end of the month during which he leaves. It may, however, be resumed when he returns.

The Canadian Pension Commission may pay pensions for disabilities, including aggravation to pre-enlistment disabilities, or deaths which were incurred on or are attributable to military service in time of war.

A veteran of the Canadian Forces, living outside Canada, who has a disability which might be pensionable, may obtain full information on pension matters by writing to the Canadian Pension Commission, Ottawa, Canada.

Treatment may be provided to pension recipients outside Canada, but only for pensionable disabilities.

Virtually all persons who were ever eligible under the Veterans Insurance Act may now purchase this protection up to September 30, 1962. Canadian veterans outside Canada are eligible for re-establishment credit but may use it only for purchase of veterans insurance. Eligibility expires on September 30, 1962, or 15 years after termination of service, whichever is the later date.

POSITION CHANGE HELPS

There is restfulness in changing position in the course of long hours spent steadily behind the wheel of your car, advises the National Automobile Club. A considerable part of your muscular fatigue will disappear with every adjustment of your posture.

In connection with posture, physicians have pointed out that the human spine is the world's best shock absorber and that, to give it a chance to work at its best, all that is necessary is to sit erect.

Named as models by Mrs. Al Fontana, chairman, are the Mesdames Peter Andreini, Maurice Brosnan, Oliver Conroy, Peter Maffei, Donald Mix, Maurice Potvin, Joseph Ruo, Nello Scandri, Miss Val Grassi, Miss Evelyn Martin and guest models, Miss Ann DiMuccio and Miss Joanne Schurk.

The public is invited to this annual show. Tickets will be sold at the door, but reservations are preferred and may be made by calling Mrs. Gerald Quinlan, 108 Sherwood way, South San Francisco.

Approval was given in 1951 on \$1.3 million in bonds, in 1954 for \$1.6 million, and in 1957 for \$2.9 million for a total of \$5.8 million in local bonds. The state's authorization in 1957 was \$8 million, making the district's total local and state funds \$13.8 million during the period.

Before entering the state aid program in 1957, the district spent the following with local bond funds:

At Jefferson, \$325,281; \$3,571,619 for Westmont; \$157,110 toward Oceana, \$45,224 toward Terra Nova, and \$18,315 in miscellaneous items.

With district bonds and state funds, the district has spent \$218,350 for the Terra Nova site, set aside \$2,287,648 for Oceana construction and \$2,271,938 for Terra Nova construction, \$1,755,000 for the proposed Jefferson new buildings and rehabilitation, and the \$800,000 second increment at Westmont.

These consummated and earmarked expenditures leave the district eligible for only \$2,149,695 in state aid (from the 1957 bond issue), while the district's total fund needs by 1965 amount to \$7,254,000.

Mrs. Sanford Vickers, DC Chairman, Attends 'Dimes March' Briefing

A national goal of \$45,000, 000 has been set for the 1961 "New March of Dimes" campaign in January of 1961, it was revealed today by Mrs. Sanford Vickers, of 155 Abbott avenue, Daly City.

Mrs. Vickers, city chairman for the vital "Mothers March" phase of the drive in Daly City again, for the San Mateo County chapter of The National Foundation, said: "This goal for the total nation-wide drive was announced at a campaign meeting held in San Francisco."

Together with nearly a score of other volunteer workers in the local county chapter, she attended the annual planning meeting at the Jack Tar Hotel in San Francisco. Mrs. Vickers said there were "some 300 delegates from our Western States chapters, plus a delegation from Hawaii."

Urging county residents to "Please say YES to the New March of Dimes" when the campaign officially gets under way in January, Mrs. Vickers pointed out that "twice in recent years The National Foundation research has scored major

medical victories in fighting polio."

"In 1955, the Dr. Salk polio vaccine was pronounced safe, potent and effective," Mrs. Vickers said, "which was one electrifying phase of the great work done by the dimes and dollars donated by a generous public."

She added that "just two months ago the federal government gave approval to the new Dr. Sabin oral vaccine against paralytic polio, which also is research financed solely by March of Dimes contributions, which many of us don't realize."

Mrs. Vickers said that "such a record of health success gives even greater hope for early victories over such great crippling as arthritis and birth defects, striking down thousands annually." She added "these have also been targets of the New March of Dimes since 1958, making the 1961 campaign more vital than ever for us all." She urged everyone to "get vaccinated against polio at once, if you've not already done so, and play it safe."

DRILLS & POSTERS

Our Lady of Mercy School Wins 'Fire Prevention Week' Trophy

Our Lady of Mercy School in Westlake has won Daly City's 1960 Fire Prevention Week trophy for amassing the most points on fire drills and poster competition.

Fire Prevention Bureau Chief Frank Specht and the judges last week viewed more than 500 entries in the poster competition. A week earlier, Specht, assisted by Fire Captains Ward Albee and Allen Brush, conducted fire drills at the individual schools, rating each on the swiftness and precision of evacuations.

In the poster competition, students of six grade levels — third through eighth — presented a variety of ideas and imagination.

Trophies will go to the first place winners and medals to the runners-up at each grade level. Specht will make the presentations this week.

The poster winners, by grades: Third grade—Christian Spieler, Vista Mar School, first place; John Shea, Holy Angels School, second place.

Fourth grade—Christine Kennedy, Woodrow Wilson; Margaret Morse, Daniel Webster.

Fifth grade—Bruce Russell, Fernando Rivera School; Margaret Lybrand, Colma K-6.

Sixth grade—Laurel Gil, Daniel Webster; Ron Sherman, Garden Village.

Seventh grade—Jeffrey Quirós, Our Lady of Mercy; Randy Stewart, Ben Franklin.

Eighth grade—Jean Dorfer, Ben Franklin; Louis Botti, Ben Franklin.

The poster points added to the fire drill ratings brought the following results in competition for the perpetual trophy.

Our Lady of Mercy, 83 points; Woodrow Wilson, 74; Benjamin Franklin, 72; Vista Mar, 71; Daniel Webster, 70; Holy Angels, 70; Fernando Rivera, 67; Colma K-6, 65; Colma Intermediate, 60; Vista Grande, 60; Garden Village, 60; Thomas Edison, 59; Thornton, 59; Our Lady of Perpetual Help, 58; Olympia, 58; General Pershing, 58; Jefferson, 57; Westlake, 52; Crocker, 44, and Lincoln, 39.

The perpetual trophy win for Our Lady of Mercy was its second in the five-year history of the city-wide competition. Our Lady of Mercy also got the trophy in 1958. Thornton School won the honor in 1956. Jefferson in 1957, and Westlake in 1959.

As was usually the case, this year there were more entries in the lower grades; in fact, the seventh and eighth grade response was very poor.

Many organizations and clubs in the area have also responded with memberships.

Interested persons may contact either Chairman Weibel at PL 5-8176 or President Leonore Brewer at PL 5-2847.

Borbeck resigned due to the press of business.

FLECKLES NEW DIRECTOR ON WSIA BOARD

Attorney William Fleckles, 298 Mariposa avenue, has replaced Edward Borbeck, 899 Maddux drive, on the Westlake Subdivisions Improvement Association board of directors, president Emory Schoolcraft announced today.

Daryl Ober, 80 Menlo avenue, has assumed Fleckles' former WSIA post as architectural committee chairman.

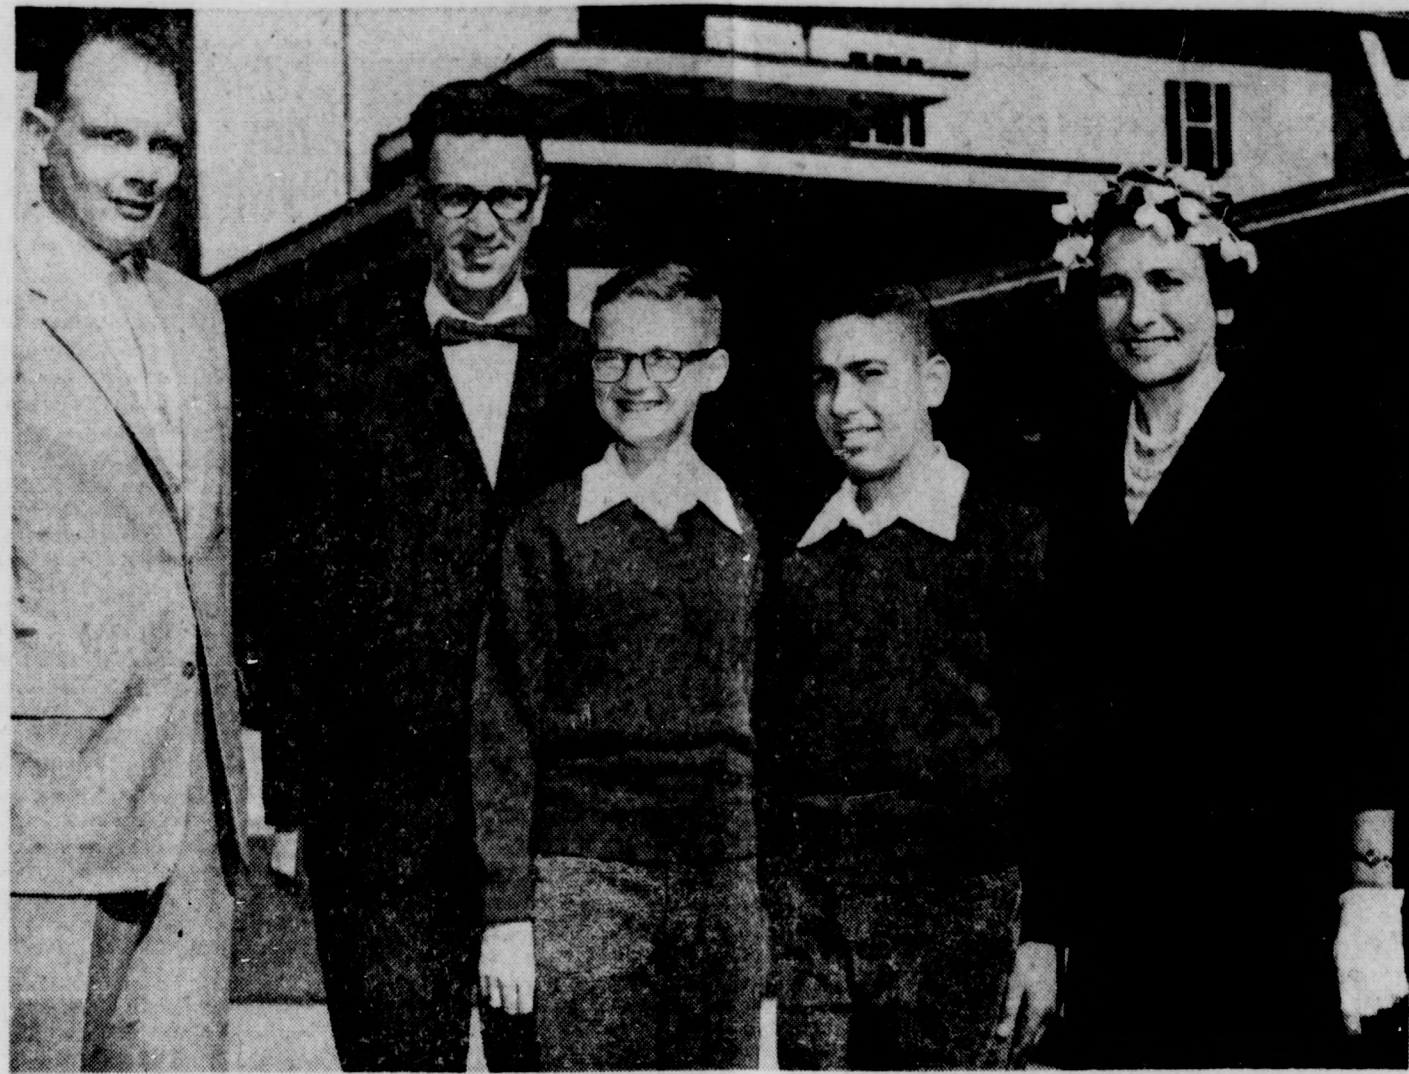

Borbeck resigned due to the press of business.

Library Club's Member Drive 'Going Good'

At the October 20 board meeting of the Friends of the Daly City Library, Membership Chairman H. Z. (Ted) Weibel announced that over 600 letters have been sent to prospective members and "the response thus far has been very good."

Many organizations and clubs in the area have also responded with memberships.

Interested persons may contact either Chairman Weibel at PL 5-8176 or President Leonore Brewer at PL 5-2847.

OUR LADY of Mercy students Thomas Calderola (second from right) and Thomas Neagle, flanked by their parents, Mrs. Calderola and Dr. Paul E. Neagle, were tops in Marian Council Knights of Columbus' essay competition on Christopher Columbus. Young Calderola, an eighth grader, was first place winner and won a \$25 savings bond. Neagle was a runner-up along with Katherine Coffaro, OLPH, and Patricia Woods, Roly Angels of Colma.

'ALL' RESIDENTS MAY GET POLIO SHOTS: LEGION

"Not just Broadmoor folks, but all residents of the greater Daly City area can get \$1 polio vaccinations on November 5 at Benjamin Franklin School Auditorium."

This was the comment today of Dick Napoletano, commander of Broadmoor American Legion Post 824, sponsor of the polio shots program.

"Response by Daly City residents on our shots hasn't been so good. I think they ought to know they are welcome, too," said Napoletano.

First, second, third and booster shots will be given on Saturday, November 5, from 9 a.m. to 4 p.m.

The Broadmoor unit has been commended for its polio shots program by the San Mateo County Medical Society and the County Health Department.

119 ON HAND FOR WEBSTER PTA MEETING

Daniel Webster's second PTA meeting for the new term, held on October 19, brought an attendance of 119 parents with Miss Best's first grade winning the award for best attendance.

The unit's membership drive was the principal agenda item. The class with the first 100% enrollment and also the class with the most fathers joining will be awarded \$5 each to purchase something for the classroom.

Guest speaker was Superior Court Judge Frank Blum who gave a most informative and interesting talk on juvenile delinquency. Mrs. Howard Stites, a representative of the Friends of the Library, gave a brief talk on the purpose of this organization and announced that new members are welcome and being enrolled at the present.

The unit accepted the appointment of Mrs. George L. Redden as honorary life membership chairman; Mrs. Thomas Notaro, 4th grade teacher, safety chairman, and Mrs. Ellis Wiard as chairman of the Founders Day committee.

Announcement was made about a hot dog sale during the lunch hour for the school children by the PTA on October 27 and a kindergarten orientation for mothers of kindergarten children to be held in the multi-purpose room at 3:30 p.m. on October 28.

Mrs. Robert Brodie, hospitality chairman, and her committee, together with first grade mothers, were hostesses for the evening and served colorful cup cakes and coffee following the meeting to all those present.

Daniel Webster PTA meetings are held the third Wednesday evening of each month. The next meeting is scheduled November 16.

Membership Drive Told By Thornton-Vista Grande PTA

Vista Grande-Thornton PTA's membership drive will continue through this month.

The membership chairman and the executive board have set a goal of more fathers joining.

In becoming members of the PTA, parents can help their children and community in many projects.

Midshipman First Class Robert G. Grubb, son of Mr. and Mrs. Willard J. Grubb of 468 San Diego avenue, Daly City, was appointed a brigade officer by the superintendent of the U.S. Naval Academy at Annapolis, Maryland.

A total of 243 midshipmen were chosen for the fall set of officer positions to be held until December 22.

The midshipmen officers were selected on the basis of overall officer-like qualities, academic standing and conduct.

Grubb, a former football star at Daly City's Jefferson High School, will be back in town next month to address a meeting of the Daly City-Colma Eagles, Aerie 1848. He will show a film on the Naval Academy and relate his experiences there.

The medical staff of Cowell Memorial Hospital, University of California, Berkeley, in cooperation with the University of California Medical Center, San Francisco, will present a high level symposium, "The Biologist and Physician Explore Cancer," in connection with the opening of a new wing of Cowell Memorial Hospital on October 29.

Participating members from the medical and health sciences will inspect the new wing, built from funds donated by the Ernest W. Cowell Foundation. Opening of the wing expands facilities to 130 beds with a complete out-patient department, surgery, psychiatry service, dental service and emergency room.

The October 29 symposium will demonstrate basic scientific knowledge as an essential constituent in modern medicine, especially in the field of cancer.

Dr. William A. Atchley, assistant professor of medicine at U.S. School of Medicine, San Francisco, is chairman of the one-day program in which eminent biologists and chemists from Amherst College and University of California, Stanford, and Pittsburgh, will make presentations.

Heart Association Distributes 'Facts About Strokes' Leaflets

Strokes are not hopeless, and simple rehabilitation measures taken promptly can help many Westlake and Daly City patients return to a useful life.

This reassuring message in a new leaflet prepared by the American Heart Association is now available from the San Mateo County Heart Association.

Titled "Facts About Strokes," the leaflet notes that stroke patients have a more hopeful outlook today because of what can be done by medical science, by the family and by the patient himself. The most dynamic step in current treatment of strokes "is development of a sound rehabilitation program that will help the patient live and work again to his utmost capacity," the leaflet states.

These three facts to remember about strokes are emphasized:

1. Simple measures taken promptly help greatly in restoring the use of paralyzed muscles. Help with speech problems should begin early.

2. Even severely paralyzed patients may make remarkable progress.

3. If the patient has the desire to be independent, even a late start on rehabilitation exercises may help him.

The new leaflet is based upon the association's more detailed booklet, "Strokes, A Guide for the Family," which is intended more specifically for those who live with or care for the stroke patient.

The leaflet reports that strokes affect hundreds of thousands of people every year. A stroke occurs when the blood supply to a part of the brain tissue is cut off due to any one of a number of causes, the leaflet explains. Strokes occur most commonly when a clot forms in an artery in the brain or in a neck artery leading to the brain. Hemorrhage, or bleeding, of an artery in the brain or pressure from a brain tumor

San Bruno Site Of Public Meeting On Freeway Route

Representatives of the California Division of Highways will hold a public meeting on Monday, October 31, for the purpose of announcing the location of the section of State Highway Route 229 between the Bayshore Freeway and Skyline boulevard in San Bruno.

The meeting will begin at 2 p.m. in the Council Chambers of the San Bruno City Hall, 567 El Camino Real, San Bruno.

Representatives of local governments, civic groups and interested individuals are invited to attend the meeting and present their views regarding factors which could influence the location of the freeway. The meeting is exploratory only, since studies are just beginning and no tentative routes have been selected. No proposals will be presented at this meeting.

are other possible causes of strokes.

Some patients recover quickly, while others may suffer serious damage that will require a long period for even partial recovery. Surgery has been successful in treating certain types of strokes. In some cases, the Heart Association leaflet also states, it has been possible through the use of anti-clotting drugs to prevent repeated strokes in patients whose first attack was brought on by a blood clot.

AROUND TOWN

By ROY HURLBERT

BE PATIENT, book lovers! Daly City's \$200,000 (all costs included) new main library in Westlake will open before '61 dawns.

City Librarian Sam Chandler is fit to be tied. Furniture for the fine facility is about a month overdue. All the way from Syracuse, New York.

ROY McLAREN, assistant police chief here the past 41 months, reported for the last time Monday.

Everyone wishes him the "best" as the city of Novato's "first" police chief.

RALPH MATTEUCCI, the Police Athletic League coach who died last week at the age of 38, gave unselfishly of his time to the Daly City youth organization. The Coast Guard veteran leaves many, many saddened friends.

POLICE department employees have ribbed the daylight out of vacationing Sgt. Hank Sundermann and day dispatcher Jimmy Welsh. Both vets are on month-long vacations. The benefits of servitude, no less.

Sundermann has been with the force since 1941. Welsh joined the ranks in 1944.

JEFF High District's fifth high school may be located in the Crocker Hills area east of Daly City. Ed Morgan, district superintendent, estimates the Southern Hills subdivision alone will bring another 800 high schoolers to this area.

Standard Builders (Panorama Development Company) merely have their "foot in the door" as far as Crocker area development is concerned.

One of the chief problems in developing the Crocker lands is lack of adequate roads. These will cost thousands and thousands of dollars.

MIDSHIPMAN Bob Grubb of the U. S. Naval Academy will address the Daly City-Colma Eagles at their December 29 meeting. The former Jeff High football standout, now a brigade officer at Annapolis, will be home for the holidays. Also at the Academy are ex-Jeff personages Jim Honeywell (Colma) and Bruce Freeland.

SELDOM mentioned police officers Robert Crocker (on duty here since '52) and Al Nicolini ('56) were accorded recognition at this month's city personnel board meeting. The pair got a letter of commendation from Lee E. Warren for their work in the recovery of property stolen from Wilsire service station.

Police, too, are very much human. You can reward them occasionally with "thanks" for jobs well done.

CASE you haven't heard, Mayfair Market's super store will have its grand opening the middle of November. It's that fancy new plant directly across from Jefferson High School.

IRA NEVILLE of the local Ford family will get a "Hero Medal" from fellow Lions for selling the most expensive White Cane in the two-day push benefiting the blind.

Ira, the bulletin says, sold one cane for \$5.

The local club collected much more than its quota of \$600.

AND leave it to John Putkey of the Lions to come up with the "classic" statement of the week.

Scribbles John in his weekly bugle: "Last week our speaker was a memory expert and very entertaining. The memory expert — I FORGET HIS NAME — was well received by all Lions."

To refresh your memory, the memory man was Symund Blomberg, and he certainly won't forget playful Putkey.

CALIBER of Dick Foster, Daly City-Colma elementary schools chief, is apparent when you consider that State School Supt. Roy E. Simpson wanted Foster as an assistant superintendent for the state department of education.

There are four associate superintendents below Simpson—men of outstanding ability and foresight.

WOMAN phoned the cops recently to complain about "a British flag being flown over one of the Colma cemeteries." The gendarmes explained this was a little beyond their jurisdiction.

An international incident for the UN?

SOMETHING has to give. The Citizens Committee For Good Government's campaign office on Mission street near Bepher has been invaded by the new U. S. Air Force Recruiting Station.

EDWARD Frank and aide Phil Brown of Daly City attended last week's annual conference of the City Managers' Association in San Francisco at the Palace Hotel.

Some 700 CM's swapped ideas on municipal finance, city fire ratings, community leadership and planning.

City-county cooperation and municipal public relations also were stressed.

Frank did his good deed for the week by escorting eight Midwestern city managers to Fisherman's Wharf for a seafood feed. Ed didn't join them for chow, but he knew the head cook and bottle washer and got the visitors some red carpet treatment.

After all, those farm belt city skippers never get much back yonder but beef.

Vista Mar Student Leaders Participate In Community Projects

Vista Mar School student body has engaged in two community activities at the county level. Four of the student body officers participated in the Junior Red Cross Leadership Day in Burlingame. The Vista Mar teacher-sponsor is Miss Mary O'Rourke, who made the arrangements for this participation.

Mrs. Robert Steward, parent of Darlene Steward, the school's student secretary, transported her daughter and David Dotur, president; Mike Fusaro, vice-president; and Becky George, assistant secretary, to the one-day conference.

On Friday, October 28, the annual Junior UNESCO conference will be held in South San Francisco. Four student representatives, one from each fifth and sixth grade, have been elected by individual classes to represent Vista Mar at this conference. Students attending are David Dotur and Peter Prongos, sixth grade, and Jay Elliott and Rebe Prongos, fifth grade.

These students wear name tags to these conference identifying them as a pupil from Vista Mar School in Daly City. Follow-up of these conferences wherein the students present the program to the elementary grade students of the school helps to further develop and make more meaningful concepts in language arts and social attitudes derived from participation. Written reports of this are also made by the students by having them make their own master copy and ditto the report for the classes at Vista Mar.

Children's Programs Gaining Popularity And They're Worthy

By Mona Baker

All the way from a children's Halloween show featuring a cast of 300 young performers over NBC's "Chevy Show" (KRON-TV, 9 p.m., Oct. 30) to a most delightful and entertaining series of children's programs "Carousell" (KQED, weekdays, 5 p.m.) new programs for youngsters, both local and network, are premiering weekly over the TV lanes.

KQED's contribution to the small fry department is a most creative series of entertaining shows. Running the gamut from science to art and musical programs, it is difficult to highlight any in the series because they are all so outstanding. Particularly creative is the unusual musical series "Frobbles and Whatsit" (Wed.) a program of childhood impressions with no person appearing on this unique show. Also outstanding "It's Chris" (Tues.), a program which intrigues youngsters and stimulates them to draw and make their own designs out of various materials.

Bowing last week over KPIX, an outstanding new program, "About You" (Sat. 3 p.m.), which proved to be a lively and

entertaining show featuring discussions by Bay Area junior high school students. Guiding the students in their talks on such problems as sports, parents, grooming, manners, etc., is Noel Rayburn, Santa Cruz assistant superintendent of schools. He certainly has the knack of getting the youngsters to join wholeheartedly in the discussions—in fact so interested do they become, they forget they are on the air. (Just a hint to parents—they can learn from the show, too). Also over KPIX, a new CBS series, "Family Classics" will premiere on Oct. 28.

Scheduled for KGO-TV are several new programs including a spooky "spectacular" on the popular "Charley Horse Show" (Oct. 31, 5:30 p.m.), and returning to KGO Radio is the excellent Standard School broadcasts (Thurs. 11 a.m.) which this year will take youngsters on a musical visit to different countries of the world.

An important addition to KTVU's children's schedule is the entertaining puppet show "Brother Buzz" which is seen every Monday at 4:30 p.m.

KRON-TV features a new lineup of children's programs on Saturday mornings. Quite delightful is the NBC's "Shari Lewis Show" featuring many unusual puppet personalities. Telecast in the color, the program has received many awards including an "Emmy." Also an important addition to KRON's schedule is "Watch Mr. Wizard," an interesting program that explores the magic world of science for youngsters. Of interest to youngsters too, is the colorcast of Mark Twain's classic "The Prince and the Pauper" over the Shirley Temple Show on Sunday, Oct. 30.

YWCA Bridge Club Meets Wednesdays At Daly City Center

Did you know that the YWCA Bridge Club meets every Wednesday morning at the War Memorial building Coral room in Daly City? It's a wonderful opportunity to play bridge and have a morning away from home. For a slight fee the nursery accommodates any walking toddler to the age of 6, and the 25 cents a meeting covers the cost of coffee for the morning.

Ruth Brooks is the hostess and coordinator and a handy person to help you out of an "overbid" hand, if you're a novice. Make up a foursome or else just come by yourself and meet new friends. Cards and tables are provided as are fellowship and enjoyment. See you Wednesday from 9:30 to noon!

400 Attend Fall Reception Held At Westmoor High

The fall reception honoring parents of freshmen at Westmoor and Oceana high schools had a record turnout—400 persons—setting a new high for this annual event, according to Palmiro NoNi, PTA president.

Boy Scout Troop 129 led the evening's program with a salute and pledge of allegiance to the flag. Following the flag ceremony a shot business meeting concluded the serious portion of the activity.

On hand to welcome parents were Glenn South, principal of Westmoor, who spoke briefly on the student study program at the high schools, and Ernest Ribera, Dean of Boys at Oceana extend-

Parishioners Have Carnival With Halloween

Get set for fun as St. Michael's Parish combines Halloween with a Carnival, and the outcome will be entertainment for all this Friday, Saturday, and Sunday.

It's the children who count on fun, and this year's chairman, Mrs. Robert Athearn and Edward O'Connor, have made sure there will be plenty of merriment by setting aside Saturday afternoon, October 29, from noon until 4 o'clock, as a special "Kiddie Carnival." The highlight of this event will be a costume parade, fitting right in with Halloween. There will be prizes for various costumes—the most "Halloween-ish"—the most original—the silliest.

And, of course, hot dogs, soda pop, and balloons go along with a Carnival, as well as a Grab-Bag booth; silly hats, "shoot-the-ducks," "knock-over-the-bottles," and all sorts of games that mean fun!

It will be three days full of enjoyment for all who attend, beginning on Friday night, October 28, at 7 o'clock.

Brunch Period Keeps Westmoor Pupils 'Peppy'

The period from 9:55 a.m. to 10:05 a.m. has become a favorite time for Westmoorites, as this is the brunch period. These ten minutes, set aside by the administration, are used as designated — to eat a snack between breakfast and lunch.

With so many of the students rising at 6:30 a.m., and earlier for seniors who come from Pacifica, the administration felt it would be inimical to a student's health to go from 7 a.m. to 1 p.m. without any refreshment.

Conducted previous to the fourth period class in the classroom, the brunch provides a few relaxing moments in a compacted schedule. Students are required to bring the food from home.

Although small bags of potato and corn chips seem to be favorites, students have demonstrated their ingenuity by bringing soup in thermos bottles, apples and roquefort cheese, and all sorts of sandwiches ranging from simple peanut butter and jelly to the Dagwood sandwich of meat, lettuce, tomatoes, pickles, etc.

B'moor Legion Post Schedules Halloween Ball

Commander Dick Napoletano and his wife, Auxiliary President Dolores Napoletano, today urged members to "put on your thinking bonnets and conjure up some unique costumes."

'Patriotic' Music To Be Featured On Bell Telephone Hour

With election time just around the corner, the award-winning Bell Telephone Hour devotes its entire television show to patriotic music this Friday, October 28.

The hour-long colorcast, "One Nation Indivisible," will be seen on KRON-TV at 9 p.m.

Presidential campaign songs will comprise a major portion of the show, which will also feature songs from all parts of the nation.

Hi-Fi Teen Club Plans Halloween Dance At WM Bldg.

12th District President Visits Daly City's 'Old Glory' Women

Rose Fisher-Bostick, 12th District president, was the honored guest of Old Glory Ladies Auxiliary 2044, Veterans of Foreign Wars, at the Daly City War Memorial building, making her official visit of the year on October 20. A large initiation class, recruited from a successful membership drive the past three months, were welcomed with full honors into Old Glory Auxiliary. Officers of Old Glory Auxiliary joined with their president, Catherine Albertus, in preparing and serving refreshments at the close of the meeting.

Car pools were organized for the recent County Council meeting, which many of Old Glory members attended in Redwood City. County Council President Mary Bolton and her officers presented a most interesting meeting.

Pat M. Fawcett received the full initiation into Gold Bug Club 32 of Faithful and Loyal Order Cootietie Clubs in Redwood City this month at Forest-

ters' Hall.

"Luncheon is Served" will be sponsored by Old Glory Auxiliary at noon, November 1, in the Daly City War Memorial building, Mission at Alp. On November 26 the Annual Bazaar will be held from 10 a.m. to 4 p.m. in the Masonic building, 17 Hillcrest drive, Daly City. A large selection of toys will be among the lovely needlework, etc., offered by the Auxiliary to the general public. Dolls, teddy bears, games for all ages, books, tea sets, log cabin building blocks, wagons, cowboy-and-girl suits, and many other items will be offered at popular prices. Luncheon will be served to the public starting at noon.

A delegation of guests from Old Glory had a most enjoyable evening in South San Francisco last Saturday at the South San Francisco Unit 4103 spaghetti dinner and dance. Visits were also made to Ft. Miley and Letterman hospitals, assisting in ward parties for patients.

Crocker-Pershing PTA Vows Drive For Clubhouse At Lincoln Park

Crocker-Pershing PTA started its year off by having a record attendance at their first meeting, October 11 in the multipurpose room of new General Pershing School. There were approximately 160 in attendance.

The major purpose of this meeting was getting acquainted with the teaching staff of both schools and the working staff of the PTA. All teachers, principals, executive board, room mothers and other workers were introduced. Several of the chairmen gave committee reports which indicated that they have been active and keeping the welfare of the schools in mind, even during vacation.

Fred Schweickhardt, principal of George Washington School, was present and introduced the sixth grade teachers from the area who are presently housed at Westlake School. Mr. Thompson, principal of Westlake School, also was introduced and told the unit that he was very pleased to have a portion of the Crocker-Pershing area student body housed in his school until such time as George Washington School is completed. The completion of this school is scheduled for early 1961, and at that time Crocker-Pershing students will be re-

turned to their own area.

A discussion of recreation facilities in this area was held resulting in a motion to form a committee to promote a Community Clubhouse to be located at Lincoln Park, Acton and Brunswick streets. This project has been in the Daly City budget in the past, but for one reason or another the PTA feels, it has been sidetracked and Lincoln Park has been allowed to deteriorate in the meantime until it is becoming a community eyesore. Over fifty parents signed to join in this effort.

Mrs. Harold Jones, representing her husband, Packmaster of Cub Pack 64, offered the assistance of the parents group of Pack 62 in this endeavor. Den 7 of Cub Pack 62 presented the flag ceremony for the evening.

The Membership Committee presented a short skit entitled "I Don't Want to go to PTA," which was designed to encourage membership.

During the Social Hour which followed the meeting parents and teachers had an opportunity to visit and get acquainted.

Regular meetings of the Crocker-Pershing PTA are held on the second Tuesday of each month during the school year.

+ TEEN TALK +

By Joe Bavaresco

Dear Mr. Bavaresco:

I am fifteen and have a friend who has gotten in trouble with the police. He was picked up after curfew. The other guys my buddy was with were being loud and causing a lot of noise. So the police picked them up and had their parents come to get them. My buddy is a clean-cut kid. He has never been in trouble, but now my parents say I'm not to see him anymore. I feel this is wrong and unfair. What do you say?

John K.

Dear Johnny:

Yes, I feel this is wrong. Your parents are being very cruel to your friend. They have passed judgment on him and that is

wrong. What they are saying is because of this one incident they label your friend a bad teenager and that he should be avoided like the plague. I realize your parents are doing this to protect you, but are they being fair? If your friend gets this label slapped on him, he will begin living up to it. In this way, people like your parents are contributing to the delinquency of juveniles, and this is wrong. Everyone deserves a chance. If your boy friend is a bad influence, then the police would take stronger action. People should not pass judgment and appear holier than thou. You should tell your parents your friend's side of the story. Ask him to your home; and then your parents can visit with him. This will give your buddy a chance to clear up any doubt in your parents' minds.

The people who will not give another person a second chance are always the ones who are the first to ask for a second chance for themselves. It is unfair to refuse understanding.

Dear Mr. Bavaresco:

Many of my friends and I have entered your presidential election poll. We are all wondering who is ahead, Nixon or Kennedy? And, when will the winners of the essay be announced?

A Teenage Voter

Dear Voter:

Thank you for your interest. Yes, I will tell you. The voting has been close and it is still going strong. It has been up and down for both. But, to date Nixon is ahead. All essays will be judged the first week of November.

For those of you who do not know of the contest, a gold medal will be awarded to the outstanding essay on why you would like to see Nixon or Kennedy president. I will award the winner the medal at your own school at a rally or assembly. This contest is open to teenagers only, and will be judged by outstanding statesmen.

Enter as often as you like. I sure have enjoyed your letters and your wonderful response. You may enter by sending your essay to me: Joe Bavaresco, Camp Meeker, Calif. or c/o this paper.

Dear Mr. Bavaresco:

I am fourteen years old and have a friend who no one else likes. I feel she needs someone. My other friends think I'm crazy for paying attention to her. She doesn't dress well and would be considered a social failure. I feel sorry for her; therefore, I have made her my friend. Am I doing wrong?

Betty Mc.

Dear Betty:

May answer is yes and no. You should not become friends with someone out of pity. It is very bad for yourself, as well as your friend. You only make her feel worse by trying to make friends with her. Ask yourself if you have made friends with her because you pity her, or because you see something in her that no one else sees. If you see something in her, try to bring it out. Most all social failures lack confidence in themselves. Try to give her confidence, then you will be doing some good. Being a friend is not enough. "A friend in need is a friend indeed."

Thought for the week: People are like sandwiches — different colors and each a different size — it's what's inside — that's where the difference lies!

Church Children 'Trick Or Treat' For Milk Fund

Youngsters (ages 8 to 12) of Vista Grande Avenue Christian Church will be "trick or treating" this Friday night—but they'll be seeking donations for the United Nations milk fund and not the usual candy.

A church spokesman said the Daly City children, escorted by adults and identifiable by orange and black arm bands, will leave the church to go door-to-door in the neighborhood shortly past 7 p.m.

Each penny collected by the youngsters will mean five glasses of milk for the world's needy children. This is part of the United Nations' UNICEF project.

After the solicitations, the Vista Grande kids will return to the church for a Halloween party.

TRAINEES VISIT OLYMPIA SCHOOL

Olympia School was the scene last Thursday of several class demonstrations in using manipulative devices in the teaching of arithmetic. The visitors were student teachers from San Francisco State College and part of Dr. James Bixler's seminar. They enjoyed watching the children engage in a variety of experiences in which number combinations were learned by grouping and manipulating objects.

Two of the student teachers, Alanna Cottrell and Phyllis Coon, now teaching with Mrs. Snell, first grade, and Mrs. Mattson, second-third grade, then served refreshments for the college group and members of the staff of Olympia School.

Also the school is involved in the Teacher Education Project conducted by San Francisco State College where college students are given the opportunity to share experiences with children during different phases of the teacher training program. Marilyn Aubrey is working with Mrs. Cherry, third grade, and Joyce Landucci is with Mrs. Jones, first grade.

THREE-DAY FESTIVAL

O.L.P.H. Parishioners Plan Booths Aplenty For 'Soaring Sixties'

The auditorium of Daly City's Our Lady of Perpetual Help Church will be a very noisy and active place next week. John Mueller and a very energetic crew of men from the parish will be erecting booths for the "Soaring Sixties" Festival which will take place in the auditorium on Wellington avenue the weekend of November 4-6. After Mueller and his crew have departed, Louis Thibaut will direct the decorating of the hall. The theme of ultra-modern jet age will be carried throughout in keeping with the "Soaring Sixties."

Mrs. Arthur Ramos and Mrs. Harry Hettel, and the mothers of the first graders at Our Lady of Perpetual Help School have increased the scope of their snack booth. It will be open at all times and will offer such a variety of lip-smacking delicacies that the most finicky appetite will be tempted.

Here are a few of the things which will be available: Hot dogs, hamburgers, cokes and

coffee, spaghetti and meatballs, chili and beans, sizzling pizzas, cooked while you wait. Also, baked ham sandwiches, turkey sandwiches, any other kind of sandwich you can name; a variety of home-made salads, home-made enchiladas and tacos. These latter go fast and the supply is limited. Home cooked Spanish dishes seem to be very popular. You can have your choice in home-baked cakes and pies. All of these will be offered at nominal prices, so plan to bring the family to the Festival for a good time, and a treat of a holiday away from the stove for mother.

The children are more than welcome and many games will be offered for their enjoyment, including a fishpond with live goldfish being offered to lucky little fishermen. Grownups are welcome to try their skill at this fascinating sport, too. Mrs. Luella Flaherty has charge of this concession. There will be many other games of skill for

"SUNDAY DRIVERS" CAN CAUSE ACCIDENTS

"Sunday drivers" traveling at low speeds on the open highway cause accidents at times, points out the National Automobile Club.

Those who insist upon traveling at a low rate of speed on two-lane highways should pull off the road at intervals to allow the line of cars following to pass. To continue to delay other motorists may cause impatience on the part of some motorists and cause them to take dangerous chances in passing.

COSTS MUST BE DEFINED

Mosk Makes 'Full Disclosure' Ruling On Gas Trading Stamps

Under California's regulations of gasoline price advertising, the consumer has the right to know how much he is being charged for trading stamps, Attorney General Mosk ruled today.

Trading stamps are, Mosk pointed out, a form of discount and therefore subject to the "full disclosure" provisions of the state statutes regulating gasoline price advertising.

Under the ruling, trading stamp advertisements on the premises of gasoline stations must inform the consumer of the cost factor of the stamps in the total price.

"The legislative purpose in passing Section 20880(b) of the Business and Professional Code was to insure full disclosure on price to the motorist," Mosk said. "That section requires that all signs about the premises of a station which indicate to the public that a discount or reduction in price is given on gasoline must also show on the same sign a breakdown of the price components."

The ruling, prepared at the request of the State Bureau of Weights and Measures, requires that in the future trading stamp signs in gas stations show (1)

the gross price of the gasoline per gallon, (2) the discount amount of premium value of the stamps, and (3) the net price of the gasoline.

William E. Warne, Director of Agriculture, requested the opinion to formalize an interpretation given the bureau last June 8.

Section 20880(b) does not prohibit the giving of trading stamps, merchandise, or other forms of discount on gasoline purchases, Mosk pointed out, but it clearly regulates the advertising of such offerings. He noted that this law applies only to gasoline prices and not to any other commodities with which stamps may be given.

Signs not indicating the offering of a discount will not in any way be affected. This includes the price signs on gasoline pumps required by law and which show only the gross demand price per gallon. These signs are for the purpose of informing the motorist rather than inducing him to buy.

The opinion, which includes examples of signs that would be in conformity with Section 20880(b), was prepared by Deputy Attorney General Miles Rubin of the Los Angeles office.

Electrical Construction Industry of
San Mateo County
c/o W. H. Diederichsen
302 8th Avenue
San Mateo, California

Dear Sir:

We want you to know that conduit was one of the most important factors in the sale of the all-electric medallion homes we are building in Millbrae.

We, of course, also want to commend the Electrical Construction Industry of San Mateo County, not only for helping promote sales for us, but for your campaign on behalf of Conduit.

More than 3000 people visited our model home during its display. The visitors--and buyers--liked the cleanliness of trouble-free electric baseboard heat and the convenience of all-electric appliances. Most of all they liked the safety that is built into these homes by the use of Conduit.

As you know, we custom build our homes with meticulous care, and the use of Conduit proves to the purchaser that he is getting nothing but the best in materials and workmanship.

Sincerely,
John W. Parsley

INDIANS CAN'T MOVE THE BALL

Punch-less Jeff Bows To Capuchino; Mills' Pass Attack Is Next

Jeff High's winless Indian footballers "held" Capuchino to a 12-0 lead here Friday until midway in the fourth period when the swift-footed invaders broke loose and went home with a 32-7 victory.

Coach Joe McGrath's defenders did a good job against the San Brunoans, but unless the Indian offense shapes up, Jeff will be in for a fifth straight loss this Friday when the Mills Vikings (1-1) invade Daly City for a 3 o'clock skirmish.

Mills has a strong pass attack — probably the best in the league — and the Jeff secondary — particularly standouts Sal Blas and Duane Baswell — will have to be on their toes.

McGrath lost Quarterback Bob Miller early in the second

half against Capuchino, and soph Larry Ahuna was called to fill the gap. Miller suffered cracked ribs and is out indefinitely. At QB for Jeff this Friday will be on-again off-again Tony Montalbo who sat out last week's game because he missed practice the week before.

The Indians held Capuchino scoreless in the first quarter, but the Mustangs converted a subsequent Jeff fumble on the

Indian one and other Jeff mis- ches into a 12-0 halftime bulge. Jeff's only tally was regis- tered by halfback Sam Ennon on a 45-yard reverse play late in the contest. Sam has been Jeff's best yard gainer to date.

McGrath thought his defend- ers did well, particularly end Rich Reitz, Blas and Baswell, Joe Bollentini, and Bob Guer- rero, and he had extra words of praise for soph John Mar- shall who performed at right guard.

Jeff's lineup for Mills will find Reitz and Bob Brush at ends, Dennis Namanney and John Souza at tackles, Mar- shall and Craig Garcia at guards, Bollentini at center, Montalbo at QB, Ennon and Blas at halves, and Al Casideo at fullback.

Sophs and juniors predomi- nate the Indian roster in this a "building year."

"Our boys are getting a lot of valuable experience this sea- son," noted McGrath. "We should do much better next year."

TOUCH-FOOTBALL

BYA Teams Continue Winning Ways; OLPH Edges Raiders, 8-6

The top teams all grabbed stronger holds on first place in all four of the Department of Recreation's touch football league games last Saturday.

The 5th Grade BYA Falcons rolled along with a 26-12 win over Holy Angels. The Falcons' Mike Pleyer passed to Mike Engelson for two scores. The other Falcon touchdowns were scored by Phil Vangene on runs of 7 and 6 yards. The two scores for Holy Angels came on passes from Larry Nannini to Don Bel- lumini.

The OLPH Bobcats remained in contention with a 13-0 triumph over BYA Flying Goose. Gudelj paced the winners by running for one touchdown and passing for another.

The league leading 6th grad- ers, BYA Untouchables, were able to slow down the second place PAL Jets by a 13-0 score. Rex Arnott tossed scoring passes to Randy Storb and Ron Smith.

The OLPH Aces lost to the Daly City Drugs, 6-0, by forfeit.

The undefeated 7th grade BYA Darts knocked off pre- viously unbeaten OLPH, 12-6. John Heick and Craig Castro scored touchdowns for the win- ners. The OLPH club got on the scoreboard with only three minutes of play left when Roger Sutter passed to Bob Reese on a 55-yard scoring play.

The BYA Rams moved into second place with a 19-0 win over the Daly City Foghorns. The game was highlighted by an intercepted lateral by line- man Bob Broner who raced 55 yards for the touchdown. Lee Williams scored the Rams other touchdowns on a 12-yard run and a 16-yard pass from Lou Miller.

The Benjamin Franklin 7th graders won their first game

a 15-13 thriller over Holy Angels. James Tracey scored both Franklin T.D.s. The losers' Larry Reardon intercepted a pass and carried it 50 yards for one Holy Angels score.

OLPH solidified its first place standing by defeating the PAL Raiders, 8-6, and lengthening their league lead to 4 points. The contest was decided when Doug Doughty nailed Dan Driscoll in the end zone for a safety. Mike Shay intercepted a PAL pass and returned it to the one yard line to set up the OLPH TD. Two plays later, Shay went around end to score. The game opened as if PAL were going to walk away from OLPH. On the Raiders' first offensive drive, they carried all the way to paydirt. The drive was capped by a Driscoll to Ducey Haight 40-yard touchdown pass.

Holy Angels won their first game of the season with a 12-9 decision over Benjamin Franklin. John Thur passed to Wayne Clapper on a 45-yard scoring play and later passed to Fenton Pettit for the winning touch- down.

DC Firemen Jolt Colma Volunteers In Baseball, 14-6

Daly City firemen exploded for 16 hits and rode to a land- slide 14-6 victory for Chief Elmer Kennedy last Sunday at Marchbanks Park in their annual brawl with the Colma fire department volunteers.

Southpaw Chuck Christian went the distance on the mound for the winners. Loser Hank Morgan also pitched the full nine innings.

Christian helped his own cause with two hits and got heavy plate support off the bats of John Castagnola (3 for 3), Lyle Church (3 for 4) and Gene Klingner (2 for 4).

Kennedy stayed in the stands throughout the contest "but I was ready if they needed me," he declared. "Even though we won, I have to mention that Colma may have used a few ringers . . . some of their guys I'd never seen before."

Christian fanned 7 Colmans and issued only three walks. The Daly City doublers booted three balls, while the Colma corpsmen erred six times.

"I guess class always tells in the long run," Kennedy final- ized.

The chief did concede, how- ever, that Colma "was handi- capped by the lack of practice."

Junior Keglers Continue Top Form In W'lake

After last week's earth- shaking week of junior kegling the youngsters at Westlake Bowl leaned back and lived a little on last week's laurels. Though there were no truly big scores rolled last week several individuals did stand out rather prominently.

Last week's 289 game was not repeated by Bob Morrison, but a number of 200 games were rolled. High game for the day was turned in by John Johnson, a mild mannered Junior Division bowler. John's 219 was the tip-of-the-top. Bob Cowan followed with a 205. Then came Glen Stanberry 201, and Randy Wilcox with a 200.

High series were recorded by ace Joe Marasco 575, Frank Blum 557, Randy Wilcox 542, Bob Cowan 539, and Carl Steigerwald 505.

In the newly-formed Pepsi Cola league, Mitch Mann posted a high game of 185, fol- lowed by Tom Cunningham 173, Fred Arnke 170, Rick Georgetti 160, and Frank Knowlton 146. High bantam series was turned by John Glebow.

Marianne Crabb, pert little Junior leaguer, has once again surprised her peers as she rolled a 192 game to grab top honors in her division. High series pat-on-the-back goes to Stephanie Singer who lam- basted the pins for a 416 series with games of 130-174-112. High for the day in the junior girls league was Cheryl Caporale who turned in a 113-135-171, 419. Other notable scores were turned in by Kathy Clark, 168, and a tripli- cate 114 by Pam Witt.

With the leagues ready for A.J.B.C. sanction, there are still a few openings in the Bantam Girls 9 a.m. league.

Auto Parts Firm Burglarized Here

L&M Auto Parts, 7046 Mis- sion street, was burglarized of \$64.55 in micrometers late Thursday night last week, co- owner John B. Murphy reported to Daly City police.

Officer John Van Otten in- vestigated the break-in and said entry was made from the roof of the garage in the rear of the building.

Only three micrometers were taken by the thieves.

SENIORS (left to right) Roger Austin, Ken Magoon and Chris Hanson turned in brilliant line chores last week as Westmoor's Rams entered the Peninsula League title race with a convinc- ing 21-13 triumph over Burlin-

VINCE & FRED KEGLERS HOG THE HEADLINES

Vince & Fred's Annex bowl- ers took all the honors this week as their Jefferson High lightweight eagles remained un- beaten and rolled toward Pen- insula League titles with close wins over Westmoor High's quints.

The Jeff 10's, paced by Steve Willis with 11 points and Wayne Stoller with 10, nipped Westmoor, 35-32, and the In- dian 20's also made it 5-0 in PL play by defeating the Rams, 32-30.

Earlier last week, the Jeff quints defeated the Mills 10's, 3-13, and the Viking 20's, 47-3. Wayne Stoller had 11 points and Mark Perry 10 for Orlich's 10's against Mills. For the In- dian 20's, Louis Quan bucketed 21 points in the rout over Mills.

Jeff Coupe had 11 for West- moor against the Jeff 20's, and Tito Torres led the Ram 10's against the Indians with 10 points.

Tom Glaser was Jeff's lead- er against the Ram 20's. He got 11 points.

The Indians end the campaign against Burlingame and South San Francisco this week. Victo- ries in both games will give Jeff its first "double" title since the 1955 season when Orlich's 10's and 20's won both divisions.

Coach Joe Verducci's San Francisco State Gators, win- ners of five out of six this sea- son, meet the winless Cal Ag- gies at Davis this Friday night.

The Gators had to rally in the fourth quarter last Satur- day to overcome a surprising Nevada eleven, 18-7.

Only loss suffered by Ver- ducci's defending Far Western Conference champs was a 21-18 thriller to league-leading Humboldt State.

The Cal Aggies last week led Humboldt 8-7 until mid- way in the fourth period, then lost, 30-8.

WESTMOOR A CONTENDER?

Rams Outfoot Burlingame To Stay In Race

Playing the finest game "ever" by a Westmoor team, Coach Pete Matisi's varsity Rams last Friday bounced Burlingame, 21-13, to jump into Peninsula League title conten- tion.

The victory, spearheaded by Quarterback Steve Funai and the "best in the loop" running of halves Tom Dake and Walt Prouty, gave Westmoor a 1-1 record and a chance for the title.

This Friday afternoon at 3 o'clock the Rams play host to winless South San Francisco, 15-0 loser to Hillsdale last week.

The league is wide open with San Mateo, Capuchino and Hillsdale each 2-0 to date. Westmoor could get up there if the Rams continue their "team" efforts and stay healthy.

Burlingame scored first Fri- day in the second quarter on a punt return, but Funai im- mediately came back and com- pleted a 76-yard pass play to Prouty to put Westmoor even and then ahead, 7-6. Walt ran the extra point.

In the third period, the Rams took command 14-6 after senior end Chris Hanson ran back a punt 67 yards to the Blingum 13, and then, on a fourth down play, the same Hanson hauled in a pass from Funai in the end zone. Again Prouty ran for the extra point.

Burlingame still was alive and kicking and made it 14-12 on another long punt runback— this time a 60-yard shot. The conversion put the invaders be- hind by only a point. But Funai again called on Dake and the

smallish senior bulled 76 yards for a TD. A clipping penalty erased this tally, but the Rams salvaged the TD a few plays later on a 10-yard dash by Dake.

Funai, besides tossing for two TD's, collected 119 aerial yards and ran the club like a senior (he's a junior). Dake gained 153 yards on carries and Prouty 73 as the paid continued to impress the All-League pickers.

Senior right guard Roger Austin, who doubles up as a linebacker, played perhaps the best game ever turned in by a Westmoor forward. Likewise, Matisi thought tackle Ken Ma- goon and Hanson were as good Friday as "anybody" in the league.

South San Francisco, blanked by Hillsdale last week, will be as tough as the rest of the contenders. If Westmoor hur- dles the Warriors, Matisi's club definitely will be in the run- ning for the top spot.

After South City, the Rams meet Hillsdale in San Mateo and host Capuchino. Then the locals meet Jefferson and wind- up against Mills.
